Shorthorn Sale

MADE BY

FRED LEE

AT

BRITTON, SOUTH DAKOTA

THURSDAY, NOV. 17

1949

AN ANNOUNCEMENT

It is seldom, indeed, that the public has an opportunity to place its appraisal on as valuable a lot of breeding cattle as it will on this occasion. Fred Lee's recent decision to part with a sufficient number of his females to meet his housing facilities gives men who appreciate the value of good seed stock an opportunity to secure females of such proven worth that they would be sold from Leewood herd under no other circumstances.

Leewood Shorthorns long have been playing leading roles in prominent herds in this country. Rarely does one find such striking evidence of the influence of one breeder as Fred Lee has exercised on Shorthorn herds in North and South Dakota and neighboring states where his cattle have been the basis for the success of many men who have attained commanding positions in the business of breeding purebred Shorthorns.

Fred Lee's experience with Shorthorns comprises a period of time extending beyond a third of a century. Through the years he has followed a constructive program of herd improvement, using the best sires obtainable on uniform, well bred females with the result he has made constant progress as a breeder and his herd today is rated as one of the strongest collections of the breed in this country. The Leewood herd is at its peak in quality and numbers and this sale will provide an opportunity for buyers to reap the benefits of years of constructive breeding effort. In type and character, as well as in their pedigrees, buyers will find the kind of cattle in this sale that will make grand foundation material, or that will add prestige to established herds.

There are many reasons why this sale should attract the attention of Shorthorn men generally, and prominent among them is the one that it will feature the bloodlines of Weston Trademark. Although Fred Lee never has used a herd bull that was not modern in type and breeding, never before has he had a stronger group of sires in service than he has at present and chief among them is Weston Trademark who has become acclaimed as one of the most prepotent sires of the breed. This sale will feature his get in promising young herd bull prospects and young foundation females, in breeding matrons selling with his calves at side, and in others going in the sale well along in calf to his service.

This sale is worth making an extra special effort to attend. The cattle will meet the most exacting requirements and are the kind that will carry on.

JOHN F. WHITE, Sale Manager, Sioux Falls, S. Dak.

GENERAL INFORMATION

The sale will be held in a heated pavilion adjoining Britton, South Dakota, starting at one o'clock.

TERMS—Cash, unless other arrangements are made in advance with the clerk. Settlements are to be made with the clerk immediately following the close of the sale. All cattle will be at buyer's risk as soon as bid off, but the seller will attend to loading on cars or trucks in compliance with instructions from buyers.

PEDIGREE CERTIFICATES—A certificate of registration and a transfer will be furnished with each lot and an application for registry will be furnished for each calf sold at foot or for each calf sold in dam.

GUARANTEE—Health certificates will be furnished with each lot to enable it to be shipped into any state. Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd. If a bull fails to breed, he may be returned to the seller if in as good condition as when bought and if after a test in the seller's herd he still fails to breed he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over sixteen months of age at the time of sale are guaranteed to be breeders. Animals returned to seller because they do not comply with guarantee will be at buyer's cost of transportation.

The seller will not be responsible for any accidents that may occur, but will make every effort for the safety and comfort of his guests.

MAIL BIDS—Those wanting to buy at this sale but who cannot be present may send buying orders to Clem Larson of the American Shorthorn Breeders' Association, Merv Aegerter of the Shorthorn World, or John F. White, Secretary of the South Dakota Shorthorn Breeders' Association, addressing their buying orders to Britton, South Dakota, in care of Fred Lee.

ROSEWOOD OF LEEWOOD 3d

That Weston Trademark's claim to greatness does not depend alone upon his sons is proven by this daughter which was selected as the champion female at the South Dakota State Show and Sale in the spring of 1949, later selling to Chester Mitchell, Pipestone, Minn., for \$1130.00, at which price she was regarded as one of the real buys of the auction. A half sister, another daughter of Weston Trademark, won a similar honor at the Minnesota State Show and Sale last spring when she was chosen grand champion.
